

## GOLD COAST LIQUORS

OCEAN CITY, MARYLAND

Gillis Gilkerson took on the renovations to Gold Coast Beer, Wine and Liquors located at 115 Street in Ocean City Maryland, in the parking lot of Ocean City's famous Gold Coast Mall. Gold Coast Beer, Wine and Liquors was first established in 1999, and after over twenty years of high-volume foot-traffic, the retail location was ready for a face lift.

The stunning renovation focused heavily on the beautifully redone ceiling with stunning chandeliers and architectural accents. Clean white walls with large graphic letter signage, and custom casework gives the space a high-class feel. Sharp lighting accents in combination with an eye-catching exterior and modern landscaping all helped this renovation hit a high-class home-run.

Gillis Gilkerson was involved in all phases of the project from initial demolition to installing the final touches. The owner was very hands on with the project, selecting everything from fixtures to finishes, and keeping a close eye on the project every step of the way. Gillis Gilkerson was proud to help make the vision for Gold Coast Beer, Wine and Liquors a reality.
