

JERSEY MIKE'S SUBS

SALISBURY & BERLIN, MD | SEAFORD, DE

Gillis Gilkerson takes immense pride in its extensive portfolio of completed fit-outs for the renowned national chain, Jersey Mike's Subs. These projects have extended from Seaford, Delaware, to Salisbury and Berlin, Maryland, with more on the way. Each fit-out demanded unwavering attention to detail and adherence to the exacting National brand standards required by Jersey Mike's.

Heading these ventures with precision and dedication is GGI Project Manager Mike Truitt, and Superintendent Brian Revel who appreciates Jersey Mike's commitment to consistent standards. Truitt relishes the opportunity to contribute to our community's daily life, stating, "I take pride in knowing that the chains we build are visited by thousands of community members every day for lunch or dinner. The work we've done with Jersey Mike's is a testament to our consistent track record of delivering projects on time and on budget."

Tyler Barnes, Gillis Gilkerson President, expressed his enthusiasm for brands recent expansion stating, "We appreciate the new opportunities that working with National Brands such as Jersey Mike's Subs present. GGI is looking forward to adding more Jersey Mike's throughout Delmarva."

The fit-outs for Jersey Mike's Subs feature warm, welcoming decor and bright graphic touches to create an atmosphere where diners feel comfortable, paired with a layout that maximizes space and efficiency. Gillis Gilkerson's dedication to delivering quality construction and consistent results lends itself well to franchise-based projects, where meeting the exacting standards of national brands are an integral part of each business's success.
