

HIGH TIDE BEER, WINE & SPIRITS

MILFORD, DELAWARE

Gillis Gilkerson is pleased to announce the simultaneous completion of Buffalo Wild Wings and High Tide Beer, Wine & Spirits in Milford, Delaware for repeat customer High 5 Hospitality. The two ground-up construction projects are located directly adjacent to each other on Silicato Parkway, just off Route One Highway. Concurrent construction on directly adjacent properties allowed Gillis Gilkerson and High-5 Hospitality to maximize efficiency, oversight and resources while bringing two new businesses to the Milford community.

Known for bringing the first Buffalo Wild Wings to Delaware, High 5 Hospitality has grown to an award-winning company with multiple franchise brands and a growing independent restaurant portfolio. The Milford Buffalo Wild Wings is High-5 Hospitality's ninth Buffalo Wild Wings location, with six more locations in Delaware and two locations in Maryland. Gillis Gilkerson has previously performed work for the hospitality group, including renovations to the Buffalo Wild Wings in Salisbury, Middletown and Rehoboth Beach and an interior fit-out for a Jersey Mike's Subs location in Camden, Delaware.

"This particular set of projects presented the opportunity to maximize space and workforce efficiency, turning one empty lot into two successful businesses in record time thanks to our strong working relationship with Gillis Gilkerson, said Bobby Pancake CEO and Co-Founder of High 5 Hospitality. "Our interest in the property was initially for Buffalo Wild Wings, but we were able to identify room for an additional retail outlet that became High-Tide Beer, Wine and Spirits. When we strive to become better than we are, everything around us becomes better too."

"High Tide Beer, Wine & Spirits was a smaller project than the Buffalo Wild Wings constructed right next door, but has proved nonetheless to be a valued retail addition to the community. Its been busy from the day it opened. The coastal exterior, casework, and refrigerated display units turned out really well, said Mike Truitt, Gillis Gilkerson Project Manager.

High Tide Beer, Wine & Spirits in Milford, Delaware opened for business in November 2023.
