

JERSEY MIKE'S SUBS

CAMBRIDGE, MARYLAND

Gillis Gilkerson is pleased to announce the successful completion of Jersey Mike's Subs located at 2711 Ocean Gateway, in Cambridge, Maryland. Gillis Gilkerson takes pride in its extensive portfolio of completed fit-outs for the renowned national chain, with locations completed in Salisbury and Berlin, Maryland, as well as, Seaford and Camden, Delaware. The new Jersey Mike's Subs location in Cambridge marks Gillis Gilkerson's fifth franchise location, with its third franchise owner.

The fit-outs for Jersey Mike's Subs feature warm, welcoming decor and bright graphic touches to create an atmosphere where diners feel comfortable, paired with a layout that maximizes space and efficiency. Gillis Gilkerson's dedication to delivering quality construction and consistent results lends itself well to franchise-based projects, where meeting the exacting standards of national brands is an integral part of each business's success.

GGI Project Manager Mike Truitt, along with Superintendent Brian Revel, headed the project, both with prior experience working with the brand. "It's satisfying working with a franchise chain that you are familiar with, where you know you can deliver consistent results, on time and on budget.", said Project Manager Mike Truitt. "We are confident we can draw on our prior experience to tackle any hurdles thrown our way."

Headquartered in Manasquan New Jersey, the popular American submarine sandwich chain is known for slicing meats and cheeses fresh at the counter for each customer. The brand now boasts over 2,000 locations nationwide. The Cambridge Jersey Mike's Subs location opened in February 2024.

"The guys over at Gillis Gilkerson are great to work with! They collaborate and make every build they do for us better than the last! They also communicate with us if there are any issues or ideas they may have, all throughout the construction process."
