

POPEYES LOUISIANA KITCHEN

MILLSBORO & SEAFORD, DE | SALISURY, MD

Gillis Gilkerson completed a ground-up fast-food restaurant build for repeat client, Mike Abercrombie of CATO Oil LLC. The +/- 2,800 sf Popeyes in Millsboro, Delaware features a drive-through, dine-in seating for 65 customers, and an interior aesthetic modeled after decoration styles unique to New Orleans, Louisiana.

Gillis Gilkerson has completed a number of other projects for Abercrombie, including renovations to Popeyes restaurants in Salisbury and Seaford, as well as, renovations to several Subway restaurants and Goose Creek convenience stores. Gillis Gilkerson also constructed the 52nd Street Assawoman Ale Shoppe in Ocean City, Maryland for the repeat customer.

"Gillis Gilkerson is always a pleasure to work with. They assisted with the permitting process from the beginning and have a great reputation for being on time and on budget while delivering a quality product."
