

JERSEY MIKE’S SUBS

SALISBURY, CAMBRIDGE, BERLIN, MD | REHOBOTH, GEORGETOWN & SEAFORD, DE

Gillis Gilkerson takes pride in its extensive portfolio of completed fit-outs for the renowned national chain, Jersey Mike’s Subs. Projects have been completed for several different franchise owners across Delmarva, including restaurants in Seaford, Georgetown and Rehoboth, Delaware, as well as, Salisbury, Cambridge and Berlin, Maryland, with more on the way! Each fit-out demands attention to detail and adherence to the exacting national brand standards required by Jersey Mike’s Subs.

Heading many of these ventures with precision and dedication is GGI Project Manager Mike Truitt, who appreciates Jersey Mike’s commitment to consistent standards. Truitt always find satisfaction in the opportunity to contribute to our community’s daily life, stating, “I take pride in knowing that the chains we build are visited by thousands of community members every day for lunch or dinner.”

Tyler Barnes, Gillis Gilkerson President, expressed his enthusiasm for brands recent expansion stating, “We appreciate the new opportunities that working with National Brands such as Jersey Mike’s Subs present. GGI is looking forward to adding more Jersey Mike’s throughout Delmarva.”

The fit-outs for Jersey Mike’s Subs feature warm, welcoming decor and bright graphic touches to create an atmosphere where diners feel comfortable, paired with a layout that maximizes space and efficiency. Despite the consistency across Jersey Mike’s Subs designs, each fit-out comes with its own challenges, due to the unique aspects of existing tenant spaces or recent ground-up construction.

Most recently, Gillis Gilkerson Project Manager Rich Hertzog has led the ground-up building shell construction, and subsequent tenant fit-out for a Jersey Mike’s Subs location in West Fenwick, Delaware for franchise owner and repeat customer Robert Bradley. Gillis Gilkerson managed the shell construction of a two-unit standalone shopping center called West Fenwick Plaza, which is now home to Jersey Mikes and Chase Bank.
