

MARYLAND GENERAL SQUARE

SALISBURY, MARYLAND

Gillis Gilkerson was contracted to complete the multi-phase construction of Maryland General Square, a two-building shopping center in North Salisbury, Maryland. Together, the newly constructed single-story steel and metal framed buildings total + / - 90,000 square feet of retail space.

"These state-of-the-art structures, home to national tenants, are not just buildings; they are the embodiment of our dedication to creating spaces that elevate our community," said Tyler Barnes, President of Gillis Gilkerson.

Gillis Gilkerson was responsible for ground-up construction in addition to the fit-outs for a number of the tenants that reside in Maryland General Square. The tenants that currently make up the two buildings are Five Guys, Chipotle, Aspen Dental, Firehouse Subs, and Sleep Number.

"Gillis Gilkerson does good work. This is the second building they have done for me and have again delivered a quality product on time and on budget."
