

PARK PLACE PLAZA

OCEAN CITY, MARYLAND

Park Place Plaza is a multi-use development in West Ocean City, Maryland. A complex roofline gives the retail shopping center memorable character, while helping to define the individual tenant spaces. The depth of the complex helps maximize space, catering to each tenant's needs. The flagship store, Park Place Jewelers, is neighbored by Dolle's Candyland, the Bank of Delmarva and Cantina Los Agaves Mexican Grill.

With direct access to Route 50, and easily recognizable bright red roof, the Park Place Plaza shopping center is highly visible, easy to access and inviting. The shopping center features plenty of parking, and covered awnings, and bench seating to create a comfortable atmosphere for shoppers to enjoy. Park Place Plaza is a great example of how shopping centers become landmark destinations.
